Strengths

Versatile - Having studied multiple disciplines and worked in two different countries I am able to learn new things quickly and adapt efficiently to whatever environment I am in.

Industrious - When given a goal I work hard to meet it, trained into this by high level sports and continuing through current personal, professional and educational goals.

Confident - My experience has brought me into contact with various and diverse people allowing be to comfortably and easily communicate at both a one to one and a public speaking level.

Organised - From a young age I have learned to follow process, develop workflows and plan the steps needed to reach a goal while.
